

Circle of Security

for Parents & Caregivers of children aged 4 - 10 years

Are you being challenged with your child's behaviour?
Do you feel like you are often in conflict with your child?

Are you wanting to learn more about the emotional needs of your child?

You are invited to join us for this parenting support and education group. We will learn a new way to understand your child's behaviour and tune into their attachment needs.

Circle of Security parenting is rooted in research related to attachment and child and adolescent development, helping us to explore how to best connect and support the emotional needs of our children.

Elk Island Catholic Schools
and **Alberta Heartland**
Primary Care Network
