FOR THE UNVEILING
of the replacement
school design plan.

Elk Island Public Schools (EIPS) is currently preparing the replacement school for École Élémentaire Ardrossan Elementary, which is slated to open January of 2018.

PURPOSE

LEARN more about the school's replacement project including: the site plan, the final design, and timelines.

TALK to representatives from EIPS, École Élémentaire Ardrossan Elementary, Group2 Architecture Interior Design Ltd., Strathcona County, and other community partners.

ASK questions.

The purpose of this session will be to share updates and the revised design plan for the replacement school. At the session, community members will have the opportunity to view the final design, ask questions, share comments, and visit with the architects and other design-team members.
