June 2016 Message

June is a busy month with field trips and final assessments taking place in the various grades in addition to provincial examinations for Grade Six students. Thank you to our families as we appreciate your support in preparing students for these activities.

For staff, June is also a time to say goodbye. We congratulate Mrs. Mischuk, Library Technician, on a well-earned retirement. She has been on staff at AEL for 32 years! She shall be dearly missed! Mme Boswell, FI Grade 5, is venturing to Ecole Campelltown to begin her counselling career. Mrs. King, Grade 3, and Mr. Campbell, Grade 4, will be completing teaching contracts at the end of the term. Mrs. Solamillo is heading to Ecole Parc. Best wishes to all as they embrace new adventures.

It is hard to believe that another school year is coming to an end so quickly. It is at times such as this that we take the time to pause and reflect on the year and the possibilities which lay ahead. As we reflect, one cannot help but be proud of the wonderful efforts and achievements of our students, staff and you, our caring parents, over this past school year. Of special note is the unbelievable welcome extended to our Fort McMurray families. You are a bison for however long you join us.

Working together we make a positive difference in the lives of students ☺

Great Happens Here!

Grade 6 Celebration

Please join us on June 28th from 9:30- 10:30 a.m. in the Klym Gym to recognize our Grade Six leaders as they take the important step to Junior High School. We are so proud of you! ☺ *Moving on up!*

Planning for 2016–2017

Planning for the next school year is underway. Please let us know if your children **will not be enrolled** at AEL for September 2016. If you know of families who are moving into the AEL attendance area please encourage them to register as soon as possible. Please Note: **Students can only be registered at ONE school for the upcoming school year.**

Who Is My Teacher Next Year?

Parents and students will be informed of class placements in the June 28 newsletter. Class lists will not be posted in August in compliance with FOIP regulations. Student report cards can be accessed through the Parent Portal in Powerschool.

Grade Group Composition

Ecole Elementaire Ardrossan Elementary is genuinely concerned for the welfare and success of your children. Every staff member strives to have students do their best and to feel comfortable in their surroundings.

One of the goals we have is to maintain well-balanced classrooms. Classes should be academically, socially, behaviorally, and emotionally well balanced. Our staff has an essential role in establishing the most effective classrooms for learning, and they have consistently done a great job in preparing classes for each new school year.

As students change grades, they are naturally exposed to new friendship groups. An important benefit to being in a class with a variety of students is social growth and exposure to a variety of personalities. This helps foster independence and develops social skills. We ask for your support in allowing teachers to develop next year's grouping in the fairest way possible. We take into account many factors, including academic performance, work habits, learning styles, interpersonal/social skill development, etc.

We thank you for trusting our professionalism, expertise and experience as we develop student classroom lists for the upcoming school year.

Parents and students will be informed of class placements on the last day of school. In compliance with FOIP, class lists will not be posted in August. Please note, staff changes are anticipated throughout the division and within the school from now and throughout the summer.

Parent Volunteer Groups Report

This was a transition year within the School Council, AEPSA and the Canadian Parents for French. Thank you to all parents who served on the executive of these groups and attend our meetings.

A few small fundraisers were completed including Mabel's Labels. Next year will see an increase in our fundraising efforts and will include a casino night in Camrose on October 3rd and 4th as well as a fundraiser at Galaxyland that is under consideration.

Canadian Parents for French (CPF) experienced another successful Carnival despite the warm weather. Also, a reminder that the Year End BBQ is fast approaching on June 28th.

Thank you again to all parents for your support.

JP Grebenc

Chair, School Council, AEPSA and CPF

PATS

All Grade Six students are continuing to write Provincial Achievement Tests in all four subject areas: Language Arts, Mathematics, Science, Social Studies and for our French Immersion students French Language Arts. Statistics have shown that students who are well rested and eat breakfast in the morning perform better in testing situations. To ensure maximum performance we suggest you encourage your child to:

1. Get plenty of rest the night before.
2. Have a nutritious breakfast in the morning.
3. Bring a snack for recess.

Head Lice – Parent Info Session

Thanks to community health nurse Pinder Deol who provided an excellent parent session on May 31st. Some key messages in the discussion about this common childhood condition included:

- Using a product that contains permethrin or other lice killing ingredients like pyrethrins and piperonyl butoxide **twice**. **Once** when the condition is evident and a **second** time, approximately 7 to 10 days later.
- Take the time to comb through the entire head, starting at the nap of the neck and behind the ears, removing all nits.
- Once treated, **do not swim or use conditioners** on the hair as the shampoo will continue to work until **the second** application.
- Alternative treatments such as tea tree oils or shampoos **do not work**.

All lost and found items remaining after June 28th, are bagged and taken for donation. Students have been reminded throughout the months of May and June. This includes any shoes or school supplies left behind after the last day of school.

Little Elk Island Adventure: Registration

Elk Island Public Schools is once again offering Little Elk Island Adventure, a fun and informative program for **first-time school bus riders**.

Through a series of activities, riders learn about: school bus safety, danger zones, tips on boarding, and how to sit properly on the bus. After that, both the children and parents hop on the bus to practice what they've learned and then adventure out on a short ride.

Musical Notes

Recorder Karate has come to an end for this school year. The grade 3-6 students have worked hard, tested and received over 2500 Recorder Karate belts. Great job to all our incredible musicians!

For all students in grade 3-5, they will need their recorders next year in music. The school will not provide another recorder for them again next year if they lose it. All students have been told that they need to put it somewhere safe at home or hand it in to Mrs. Harding for safekeeping until they need it again. Grade 6 students can keep their recorder.

Tidbits from the LunchBox...

This has been a milestone year for all of us at The LunchBox. We learned very quickly in the first 3 months (ok, in October ;-)) what would work and what would definitely **not** work with our HL program without the use of our own kitchen. A big 'Thank You' to Fresh Healthy Cafe for stepping up to be our exclusive vendor for our program. and a HUGE 'THANK YOU' to all of you - parents, students, AES Staff.... for your continued support and love of our program.

We would like to take this opportunity to invite you to come and join The LunchBox Board. We have many members who have grade 6 students and would like to move forward to new volunteer opportunities with their children. If you would like more information, please contact Allison Usher at info@aeslunchbox.com.

On behalf of all of us at The LunchBox, have a safe and fabulous Summer Break, and please look for our 2016/17 correspondence in late August!!

Pull Tabs

Calling all families with pull tabs! Are you collecting pull tabs but don't know where to put them or how to use them? Mr. Frederickson has been collecting them for the last 12 years, for different organizations, and is now collecting them on behalf of Ronald McDonald House® Northern Alberta. The tabs are sent to Maple Leaf Metals where they are recycled. If you would like to help Ronald McDonald House® Northern Alberta, please drop off pop tabs at the school. Thank you very much for your time and effort.

Campbell's Labels

We are still collecting *Campbell's Labels for Education™*. If you would like to help with our Labels for Education collection drive, please contact our parent program coordinators, Mrs. Terri-Ann Trohubiak and Roxanne Dunham at: ttrohubiak@yahoo.ca. Tools for School Now Taking Orders

Ecole Ardrossan Elementary has once again partnered with the United Way for the 2016–2017 Tools for School campaign. Annually, Tools for School provides backpacks and school supplies to students in Kindergarten through Grade 12 whose families have limited resources.

If you are a parent, or know a parent, who needs access to the program, please contact the school directly. We will respectfully distribute the backpack to your child at the beginning of the 2016–2017 school year.

Alternatively, if you'd like to donate to the program, you can pick up few extra supplies when you're out shopping for back to school. Drop-off boxes will be located at various businesses in the community during the summer months—including Staples and Central Office at Elk Island

Public Schools. All supplies donated within our community will be invested back into education in our region.

For more information about Tools for School, please contact **Shauna Hart** or call our Central Office at 780.464.3477.

Make summer reading sizzle for your elementary schooler

Research shows that when kids don't keep up with reading over the summer, they can lose up to three months of learning—and feel the effects for a long time! Fortunately, this doesn't have to happen.

To encourage summer reading:

- Join a reading program. Ask the librarian at your local library for a list of programs your child can attend.
- Be creative. Remember that all kinds of reading materials can help your child maintain and build skills—comic books, craft magazines and even cookbooks.
- Focus on your child's interests. Ask him if there is something he would like to learn more about during the school break? Maybe he wants to identify stars and constellations at night or learn how to camp. Help him find books about subjects he loves.
- Plan a book swap. Have your child invite friends to participate in a book exchange event. If a child donates two books he has read, he can exchange them for two books he hasn't read.
